The Allendale Forge Studios has some great spaces for occasional room hire. Our largest room upstairs is perfect for meetings and holding workshops. Alternatively, if you need something smaller, we have a room perfectly equipped for more cosy meetings or short-term office use.

With room hire individuals and businesses receive free internet and a fully equipped space providing a professional working environment. The larger room 11 also has a projector and prior to your booking our team set up the room to include tables and chairs to your requirements.
